2019 Junior Championship Nostalgia strikes at Flagstaff Hill Golf Club

Following a superb final round performance, Harry Leaf-Milham has been crowned 2019 Flagstaff Hill Golf Club Junior Champion.

Some things happen for reasons that just can't be explained, but when they do, one just has to sit back and enjoy the moment.

When Harry took to the 1st tee today in the final round of the championship, he wouldn't have known of the history he was about to create. In 1981, Harry's father Paul won the Flagstaff Hill Golf Club Junior Championship under the watchful eye of his caddy and father Peter. Fast forward 38 years, and Paul was now caddying for his son Harry in the same championship.

It's the first time in the club's history that both a father and son have won the Junior Championship. Even more special was that Harry's grandfather Peter was in attendance to see him crowned the 2019 Junior Champion. A special moment for 3 local generations within the Flagstaff Hill Golf Club.

Congratulations also goes out to local lad Ben Worrall for winning the inaugural Douglass 9 Hole Cup, awarded in recognition of Jan Douglass and her daughter Sarah's contribution to junior golf within South Australia and in particular, Flagstaff Hill Golf Club. Well played Ben!

2 fantastic achievements for young members of our Club!
